I understand that there will no longer be any coverage on the person deleted from the plan. The person being added will be the newly insured under the plan.

It is the sole responsibility of the Insured to ensure that eligible persons for whom applications are made are not insured persons who have existing coverage under The Family Indemnity Plan as no person may be insured through more than one Family Indemnity Plan Certificate in accordance with the Non-Duplication of Coverage clause contained in the Insured's Family Indemnity Plan Certificate. If a person is named under more than one Family Indemnity Plan Certificate on the death of such a person the Insurer shall only be liable to pay the claim made under the Family Indemnity Certificate that is first in time.
